Leny G

Leny G

Couture designer, Leny G will design and craft a garment 'which you will cherish for years to come.' The Couture Design Service, includes; inception and initial drawings, combined then, with fabric choice, and finally, the calico toile samples.

The in-house team having measured for the perfect fit, produces the final fabulous couture outfit; a tailored suit or coat; evening dress, or the wedding dress of your dreams, The second service is the Made-to-Measure Collection means no more fittings or alterations; simply select the design of your choice and provide them with your measurements.
